

SUMMARY OF GOLF CART RULES
Taken from the Village Of Islamorada [Code of Ordinances](#)

Currently, golf carts may only be operated within the confines of the Port Antigua subdivision.

- Driver must be licensed
- Cart must have and conspicuously display a Village Permit (see below for the requirements)
- Must obey traffic regulations
- Not impede normal traffic flow
- May not operate on the Overseas Highway or its right-of-way
- May not operate on the bike path or beach
- Carry occupants than designed to carry
- Obey parking regulations
- May only operate between sunrise and sunset

The Village Permit will be issued after a certified mechanic has inspected the vehicle to ensure it has good brakes, steering, tires, a rear view mirror, reflectors, stop light, turn signals and headlights (for operation in rain or fog), and seat belts. Proof of insurance will also be needed. The application may be found on the [website](#).
