Dear Port Antigua Property Owner,

Your Property Owners' Association is working hard towards giving our residents and visitors a great place to live.

One of the ways we do this is to try to ensure the neighborhood lives up to being the premier area in Islamorada. Garbage, recycle, and yard waste carts or cans on some properties are being put out early and/or left on the roadside, which is unsightly, a safety issue and adds congestion for the walkers, bikers and vehicles.

To this end, we ask everyone to comply with the law and follow The Village Ordinances. **If you are paying for a service to have a landscaper, yard service, property management company or manager to put out and/or remove your garbage, recycle and yard waste carts and cans, please check with them to be sure they are performing the service and following The [Village Ordinance \(click to link\)](#) which states:**

Islamorada Village Code, Chapter 46, Sec. 40 states that these carts/cans are to be put out by 7:00 AM on the scheduled pick up day but no earlier than the day before pick up. The containers must be removed from the roadside by 8:00 PM on the collection day"

THE GREEN GARBAGE CAN may be placed by the roadside no earlier than Monday for the **Tuesday collection**. The cart needs to be out by 7:00 AM on Tuesday morning, which is Port Antigua's collection day. Please remove them from the roadside by 8:00 PM on the day of collection and return to the house.

THE GREEN GARBAGE CAN, BLUE RECYCLE CAN and the **YARD WASTE CARTS and CANS** (up to 6 cans for yard waste) may be placed by the roadside no earlier than Thursday for the **Friday collection**. The carts/cans need to be out by 7:00 AM on Friday morning which is Port Antigua's collection day. Please remove them from the roadside by 8:00 PM on the day of collection and return to the house.

You must call Advanced Disposal at 305-853-3433 for the pickup of **BULK ITEMS** before placing by the roadside.

Additional information may be found at the Port Antigua website portantigua.net to help with following the designated days and times for pick-up of garbage, recycle and yard waste carts and cans. [Click here to go to a brochure.](#)

Thank you for your help to keep Port Antigua the beautiful and best area in Islamorada.
