## Port Antigua Beach Precautions

The Port Antigua Property Owners Association is asking that all residents, guests and renters that elect to use the beach please keep any group gatherings to less than ten persons until further notice. This request mirrors the Monroe County mandate and is intended to lessen the chances of community transmission of the covid-19 virus.

All beach goers should be aware of the possibility of contracting the COVID-19 virus through contact with the gates, shower and foot wash, tiki huts and tables etc. You should take proper precautions when frequenting any public venue.

For the Board
