Rental Closures

Friends and neighbors. On Thursday, March 19, the Monroe County Council decided to dramatically increase efforts to blunt a widespread outbreak of COVID-19 in our community. Starting at 6:00 pm Sunday, March 22, all hotels, RV parks, vacation rentals, etc. must be closed and any non-residents must leave the Keys. The ban applies to all leisure visitors and all non-essential personnel who are not working in the Keys. This is in addition to the actions already in effect including the closing of all schools, closing of all bars and reducing the allowed occupancy in restaurants. As of this Sunday, Monroe County is closed to tourism.

This emergency order directly impacts those of you currently renting your Port Antigua homes with or without proper licensing and/or permits. It is the responsibility of all Port Antigua property owners to comply with this mandate.

For further information, see the [Village](#) and [County](#) news releases on their respective websites. Any questions you have should be directed to the proper County and Village authorities.
